Propositions for Sprint Mix-Relay "Cup of Raska" (stage 3)

This year, within the Kopaonik open championships, POSK Jasenica is organizing a surprise race in the town of Raska, Sprint Mix-Staples.

The categories are: pioneers (up to 14 years old), cadets (up to 16 years old), juniors (up to 20 years old), seniors (without limitation in years), younger veterans (35 to 45 years) and veterans (over 45 years).

The relay should have two members, one male and one female member, regardless of their membership in the club and in accordance with age. Two women competitors can run in relay as well! The start is mass (11:00 a.m.) and the winner is a relay that first passes through the finish for every class! Wearing of start numbers is mandatory!

The demonstration of a relay change will take place 15 minutes before the start (10:45 a.m.).

All registered for stage 3 need to find their relay pair and submit to the organizer registration:

- **The name of the relay**
- **Composition of the relay with the age of both competitors**
- **The relay category**
- **Si-chip numbers of the relay participants**

Registration: submit the stated data by mail or at the competition center no later than Wednesday, July 17, 2019 until midnight.

If any of the competitors registered for stage 3 fails to find an adequate relay pair, he can run the race outside of the ranking, as an individual or in a relay outside of the ranking (for example, a male male combination) with a mandatory previous registration to the organizer.

The start of the relays and individual competitors outside of the ranking is scheduled for 10 minutes after the start of the relay (11:10 a.m.).

Sprint Mix-relays are ranked for the Raska Cup in 2019 and are especially awarded!

General remarks

- ✓ All competitors take part in the competition at their own risk
- ✓ The organizer will provide the basic medical help at the finish area
- ✓ Competitors are not insured by the organizer.

For all stages except Stages 3 and 4, we recommend wearing long sleeves and socks as well as orienteering shoes (with crampons)!

We ask all participants of the competition to place the garbage on the intended places. Garbage bags will always be set by the organizers in the target and start zones!
